## RLP (Reduced Lunch Program)

*This form must be filled out, regardless if you think you qualify.*

(REV, Source: Federal Register, Vol. 71, No. 15, January 24, 2006, PP. 3848-3849)

Dear Parent/Legal Guardian:

Our school may qualify for various federal and state grants this year. By taking the time to fill out this income survey, you can help us provide the additional resources necessary to serve all of our students. It is our goal to provide students with the best opportunity to learn that we can offer, but we need your help. Generally, schools whose families have eligible incomes based on the RLP may qualify for special grants. Please note that these grants are only based upon the number of students that would qualify for free and reduced lunches if a program was offered. We do not currently have plans to offer a lunch program.

Eligibility Definition:

- Children who are members of food stamp households, California Work Opportunity and Responsibility to Kids (CalWORKs) assistance units or receive benefits from the Flood Distribution Program on Indian Reservations (FDPIR) are automatically eligible regardless of the income of the household in which they reside.
- Children from households whose income is at or below the levels shown are eligible for free or reduced price meals.

## **Supplemental Application - Country School**

*Please complete this application if enrolling at the Country School site for the first time.*

Due to increased demand for entrance into our programs, we have developed this supplemental application to help us determine how well-suited applicants are to these unique environments and the home-school model in general.

Friday home-school work is expected to be completed and counts as one day of attendance. As the home-school teacher, how will you aid your child in completing his/her home-school work on time? \_\_\_\_\_

We have various events throughout the year at which the parents are scheduled to help. Are you willing and able to help at these events? Do you have special services, skills or talents that you can offer? \_\_\_\_\_

We offer field trips throughout the year. Would you be willing to drive your student and/or other children to and from a fieldtrip\*? \_\_\_\_\_

Gold Rush Charter School does not have buses. Will you be able to bring your child on time every day during the school year? \_\_\_\_\_

The Country School is an outdoor setting. Your child will be expected to do chores including: shoveling manure, cleaning pens and digging in the garden. How do you see your child adapting to this working environment? \_\_\_\_\_

We currently do not offer a lunch program. Students are expected to bring healthy snacks and lunches every day. Students showing up to school without food will result in their parents being called to bring food. Do you understand and accept this policy? \_\_\_\_\_

*\*If you are planning to drive your child and/or other children on a field trip, you must complete the volunteer process. Please see the school office for more information.*
